To All Members,

We are pleased to inform you that starting Monday, September 1, 2025 we will be introducing a new membership management system. This upgrade is designed to enhance your experience and make using our facilities more convenient.

Key updates include:

■ **Streamlined Check-In/Out with QR codes**

We will introduce a QR code scanning system for smoother and faster entry and exit.

■ **Enhanced Online Services**

You will be able to make purchases, reserve lessons and courts, and complete payments online, without having to wait at the front desk.

■ **Changes to Payment Methods**

Payments will transition to an online system using your registered credit card.

(Please note: Cash payments will still be accepted for the time being.)

■ **Online Payment for Monthly Membership Fees**

Monthly membership fees will also be payable via credit card through the new online system.

Details on how to access the new system, including the login URL and temporary password, will be provided separately.
